About Apartments

The apartments are built on the concept of "You Design, We Build". Your apartment embraces you with a fine sense of freedom as you can customize your apartment. Welcome lounge and a guest area for visitors, an elevator, and 19 corner apartments are built to showcase exclusivity, opulence, privacy, world-class studio, and Apartments. One of the most exciting features is the design of the apartments as every apartment is a corner apartment and gives you a feeling of pride and privilege. Despite the luxury and sheer size of the project, the construction is sturdy enough to withstand the might of any known seismic activity.
